## SEARCH ORGANISATIONS

### Please fill in the search criteria to find the organisation

It is obligatory to complete **either** the "legal name" field **or** the "VAT number" field with at least a three character string. The other search fields can be left blank. However, too unspecific queries may result in a long results list. The results list are truncated after the 200th record. If searching for a legal name in the national language does not yield results you might try with a translation in English.

Name of the organisation : \*  VAT number : \*

Country :  City :

*fixedly*

Please enter the verification code as shown above:

\* Either Name or VAT number are mandatory

## NOTE

Search PIC functionality applies to under validation and validated organisations. If you have recently registered your organisation, the PIC of your Organisation cannot be retrieved until CVT starts the identification.
