

The institution	Name: The Mineral and Energy Economy Research Institute of the Polish Academy of Sciences
	Address: Cracow, Poland
	Represented by: name: Monika Orzechowska e-mail:monika.orzechowska@min-pan.krakow.pl
Is interested in the participation in a project that will be prepared and submitted in the following topic:	
Number of the open topic and Title (from Work Programme)	Societal Challenges- Secure, clean and efficient energy- CALL FOR COMPETITIVE LOW-CARBON ENERGY Topic: Modelling and analysing the energy system, its transformation and impacts LCE-21-2015
Short description of the organisation: <i>(including area of activity, scientific staff, expertise, equipment, collaboration, etc...)</i> Mineral and Energy Economy Research Institute (MEERI) has more than twenty years of experience in policy support research. The Institute is involved in the PL-GRID network. PL-Grid infrastructure not only enables Polish scientists who carry out scientific research based on the simulations and large-scale calculations using the computing clusters but also provides convenient access to distributed computing resources. Two Divisions of our Institute are interested in taking part in Horizon 2020 initiatives. Those will be Minerals and Energy Sustainable Development Division and Energy and Environmental Policy Division. If you want to get more information, please check: https://meeri.eu/en/index.php	
Proposed contribution to the project: If you want to get more information, please contact with Monika Orzechowska monika.orzechowska@min-pan.krakow.pl
